

English

We are going to be busy writing this term;

A recount of a nature walk.

A letter to a visitor.

An information book.

Fairy tales.

PHSEE

We are working together to create an assembly on how to look after the environment.

WOW MOMENT

We are going on an adventure to Westonbirt to explore the enchanted woodland and find the fairies!

Maths

Place value and addition and subtraction.

The Enchanted Woodland

Art

We have lots of art projects this term working with natural materials; drawing and painting.

Topic Homework

The class has the opportunity to create their own enchanted woodland in a shoebox.

Science

We are going to be looking at identifying and classifying different plants and animals.

RE

We are exploring creation this term and focusing on The Prophet Amos.

Computing

We are practising taking photos of nature and printing them. To then look at videoing too.
