

SCREAM MACHINE

Engage!

We are visiting Poulton's park on November 29th to learn all about forces in action!

Emerald power – being courageous and sticking at something even when it's tough!

In English, we will:

Compose poems, write dialogue, make educational safety signs for a theme park, create adverts and write a non-fiction text about a new ride!

In Art & Design, we will:

Manipulate photographs and images as well as designing rides, maps and posters.
Make working models and fairground food!

In computing, we will:

look at effective research & reasoning, online discussion, digital mapping and posters.

The main focus of the topic is science

We will look at the properties of materials, investigate forces and how they work and have a close look at mechanisms.

In P.E, we will be:

Football & gymnastics

In Geography, we will:

Look at different theme parks and their locations all over the world.

In Maths, we will:

Recall multiplication facts to help us to multiply and divide.
Use place value to multiply and divide by 10, 100 and 1000.
Recognise factors and multiples.
Be able to square and cube numbers.
Understand prime numbers.
Measure and calculate perimeter.
Convert between units of measure (mm, cm, m, km)

In RE, we will cover:

Prayers, Saints & Feasts and Advent.
