

St Scholastica - Spring 2 - Tomorrow's World

Writing:

- Blogs and Emails
- Newspaper Reports
- Websites
- Thriller Narrative
- Podcasts

PE:

- Benchball - Build and maintain fitness through fast-paced, competitive games
- Football - Passing, shooting, marking, finding space, defending, positions, rules and competitive matches.

Maths:

- Algebra
- Converting Measures
- Perimeter, Area and Volume
- Ratio
- Geometry

Memorable Experience -

Go back to the start, where it all began, with the invention of the abacus in China!

Research the history of computing, including gaming and the invention of the internet. Spend some time playing 'Pong', 'Pacman' and 'Space Invaders' to get a feel for the start of gaming as we know it today.

Create your own (school-safe and supervised) email account and start to correspond with Barack Obama or even Father Christmas! Much like the internet itself, the possibilities are endless!

Spelling, Punctuation and Grammar:

- Formal and informal
- Passive verbs
- Subjunctive form
- Tense
- Spelling

RE:

- I can **describe and explain** the key concepts and beliefs for Christians in Lent.
- I can **show understanding** of the journey Catechumens make and I am able (with support) to **link** this to Lent.
- I can **show understanding** of the 'Stations of the Cross' and I can **link** these to issues in modern life.
- I can rank the importance of the Beatitudes (using the diamond 9) and **give reasons** for my point of view.

Computing:

- Effective and safe online research.
- Computer networks
- Algorithms
- Using logical reasoning
- Downloading music
- Website design
- 'Text' language
