Dear Parents and children,

As we approach the bank holiday weekend and we complete another week of home learning, I want to take this opportunity to say Well Done!!! However you have achieved this and in whatever format this looks like for your family.... You have done it!! It is not easy at the moment. Children you are at home, enjoying time with your family but missing seeing your friends and Teachers. Parents, you have worked hard and we are fully aware this is not easy to juggle home learning with home life and your own work commitments, but you continue to support the school by doing so. The teachers are full of praise and admiration when I speak to them, so THANK YOU!

It's now time to take a well-earned break over the long weekend, enjoy the sunshine and above all, ENJOY your time together, play games, have fun and remember to have down time!

There has been much speculation in the News about schools reopening, at present we have had no official guidance from the DfE or Government on this. As always we will follow the guidance when it appears and I will keep in touch with you all.

Have a great week and thank you for being such amazing parents, supporting your children and supporting us!

Remember we are on the end of the phone, email or Dojo, missing you all.

Stay safe and well, God bless

Mrs S Woods, Head teacher
