

Rio de Vida

Memorable Experience - Rio de Vida

Hold your very own 'Brazilian Carnival Day' to kick-start this colourful topic. Dress up in your brightest carnival clothes and make richly coloured bunting and flags to decorate your home or garden. Play carnival music and join in by clapping, dancing and moving your bodies in time to the music.

Let's get ready to party!

What are we doing this term?

Put on your dancing shoes and get ready to party in Rio! This half term, we will dress up in bright clothes, hang out bunting and enjoy a carnival party. We will be writing about our carnival experiences, composing poetry, creating vibrant dances and playing carnival rhythms. We will learn to speak some Portuguese, study maps and globes to locate Brazil and decide what it would be like to live there. As we learn more about Brazil, we will explore legends, follow recipes to make Brazilian carnival treats and scour non-fiction books for fascinating facts. Reflecting on what we have learnt about Brazilian culture we will think about celebrations in different parts of the world and decide why people celebrate. We will create colourful collages, cards and carnival masks.

We hope you will enjoy our new topic as much as we do!
