# Summer Fun!

	Maths	Writing	Topic
<b>Monday</b>	<p>White Rose Maths Term 6 Week 7 Lesson 1</p> <p>Year 1  <a href="https://whiterosemaths.com/homelearning/year-1/">https://whiterosemaths.com/homelearning/year-1/</a></p> <p>Year 2  <a href="https://whiterosemaths.com/homelearning/year-2/">https://whiterosemaths.com/homelearning/year-2/</a></p>	<p>This week will be all about transition to the next year group, it is going to be a challenge for them all to move year groups and classes without the usual transition week to support them. That being said we are all here to help them through this time and there will be an opportunity to speak to the new class teacher too.</p> <p>I have found a booklet for transition week, there is one for year 1 to year 2 and year 2 to year 3. There are a few different activities in there to do and it will help them to think about what they are looking forward to in September.</p> <p>(See Year 1- 2 Booklet and Year 2-3 Booklet in drop box)</p>	<p>Moving class can be an exciting but also worrying time for children. This activity gives children the opportunity to voice their worries but also the things that they are most looking forward to.</p> <p>They can record their worries on the Worry Cloud. This can either be done using the posters or using the activity sheet.</p> <p>If using the posters, the children can record their worries onto the small cloud cut-outs and stick them onto the cloud poster.</p> <p>Children can also record the things they are looking forward to on the Excitement Rainbow.</p> <p>The children's worries and excitements can then be discussed, with possible solutions and support given to their concerns. You may even like to visually show the children's worries floating away, if the child feels happy that their concern has been dealt with.</p> <p>(See Worry Cloud Activity)</p>

Week Commencing 13<sup>th</sup> July 2020

<p style="writing-mode: vertical-rl; transform: rotate(180deg);"><b>Tuesday</b></p>	<p>White Rose Maths Term 6 Week 7 Lesson 2</p> <p>Year 1  <a href="https://whiterosemaths.com/homelearning/year-1/">https://whiterosemaths.com/homelearning/year-1/</a></p> <p>Year 2  <a href="https://whiterosemaths.com/homelearning/year-2/">https://whiterosemaths.com/homelearning/year-2/</a></p>	<p>Create an all about me booklet for your new teacher, tell them an interesting fact about yourself, about your family and write them a message too. Send these back to me and I will send them to your new teachers!</p> <p>(See New Teacher)</p>	<p>There is a favourite moments from this year poster in drop box, this can be printed off or this could be an example for one the children would like to make for themselves. Even though the year was cut short, think about the great and fun things that happened this year.</p> <p>(See Favourite Moments)</p>
<p style="writing-mode: vertical-rl; transform: rotate(180deg);"><b>Wednesday</b></p>	<p>White Rose Maths Term 6 Week 7 Lesson 3</p> <p>Year 1  <a href="https://whiterosemaths.com/homelearning/year-1/">https://whiterosemaths.com/homelearning/year-1/</a></p> <p>Year 2  <a href="https://whiterosemaths.com/homelearning/year-2/">https://whiterosemaths.com/homelearning/year-2/</a></p> <p>There are also some maths challenge cards all about sports day in drop box.</p>	<p>The next three days are all about sports day, you can of course change the days you do these if the weather isn't great!</p> <p>There is a PowerPoint all about sports days to have a look through. And then there is a reading comprehension to do, there is a story to read and a few questions to answer afterwards. Within the PDF document there are different versions of the comprehension, they get more difficult as the document goes on, so choose the one that is appropriate for your child.</p> <p>(See sports day)</p>	<p>Design the winners medal!</p> <p>There is a sheet to design the winners medal, once they have done this, they could have a go at making the real thing, ready for the day! They might also like to make a 2<sup>nd</sup> and 3<sup>rd</sup> place medal too and taking part certificates if the whole family is joining in!</p>

Week Commencing 13<sup>th</sup> July 2020

<p style="writing-mode: vertical-rl; transform: rotate(180deg);"><b>Thursday</b></p>	<p>White Rose Maths Term 6 Week 7 Lesson 4</p> <p>Year 1  <a href="https://whiterosemaths.com/homelearning/year-1/">https://whiterosemaths.com/homelearning/year-1/</a></p> <p>Year 2  <a href="https://whiterosemaths.com/homelearning/year-2/">https://whiterosemaths.com/homelearning/year-2/</a></p> <p>Sports day maths challenge:</p> <p>Solve the mystery of the missing Sports Day trophy through a range of maths clues...</p>	<p>Design a poster for your family advertising your Home Sports Day. Remember to include the date and time. Remember to include anything your family will need to bring with them and where the Sports Day will take place.</p>	<p>Amazing Fact:</p> <p>The sport of chess boxing combines two traditional sports; chess and boxing. The competitors fight in alternating rounds of chess and boxing and winning in either round means overall victory.</p> <p>Challenge:</p> <p>Design your own sport that combines two different sports. Give it a name and describe how it would work. Then, draw a picture to show your new sport.</p>
<p style="writing-mode: vertical-rl; transform: rotate(180deg);"><b>Friday</b></p>	<p>White Rose Maths Summer Term 6 Week 7</p> <p>Year 1:  <a href="https://whiterosemaths.com/homelearning/year-1/">https://whiterosemaths.com/homelearning/year-1/</a></p> <p>Year 2:  <a href="https://whiterosemaths.com/homelearning/year-2/">https://whiterosemaths.com/homelearning/year-2/</a></p>	<p style="text-align: center;"><b>SPORTS DAY</b></p> <p>Use the sports day at home pack to create your own sports day. As children won't be able to experience a school sports day this year, this is the perfect way to show children how to engage in healthy competition with family and bring everyone together to have a wonderful day.</p>
