

# Rio de Vida

## Fun Facts!

Rio de Janeiro was the first South American city to host the Olympic Games in 2016.

Rio's Christ the Redeemer statue is one of the most recognisable landmarks in the world. It stands high on a mountain overlooking the city.

## What are we doing this term?

Put on your dancing shoes and get ready to party in Rio! This half term, we will dress up in bright clothes, hang out bunting and enjoy a carnival party. We will be writing about our carnival experiences, composing poetry, creating vibrant dances and playing carnival rhythms. We will learn to speak some Portuguese, study maps and globes to locate Brazil and decide what it would be like to live there. As we learn more about Brazil, we will explore legends, follow recipes to make Brazilian carnival treats and scour non-fiction books for fascinating facts. Reflecting on what we have learnt about Brazilian culture we will think about celebrations in different parts of the world and decide why people celebrate. We will create colourful collages, cards and carnival masks.

We hope you will enjoy our new topic as much as we do!
