

Rio de Vida

Fun Facts!

Christ the Redeemer is a statue of Jesus Christ, in Rio de Janeiro. It is one of the largest statues in the world. It is 30 metres tall and made from soapstone.

It was created by French sculpture Paul Landowski. It took 9 years to build - beginning in 1922 and finishing in 1931.

What are we doing this term?

Put on your dancing shoes and get ready to party in Rio! This half term, we will dress up in bright clothes, hang out bunting and enjoy a carnival party. We will be writing about our carnival experiences, composing poetry, creating vibrant dances and playing carnival rhythms. We will learn to speak some Portuguese, study maps and globes to locate Brazil and decide what it would be like to live there. As we learn more about Brazil, we will explore legends, follow recipes to make Brazilian carnival treats and scour non-fiction books for fascinating facts. Reflecting on what we have learnt about Brazilian culture we will think about celebrations in different parts of the world and decide why people celebrate. We will create colourful collages, cards and carnival masks.

We hope you will enjoy our new topic as much as we do!
