Thursday 24th September 2020

The Wednesday Word which is linked to the Sunday Gospel is 'Change'. There has been a great deal of change over the last few weeks and months for our community, the Country and indeed the World. However I have been overwhelmed by the positive way that pupils, staff, families have responded to the change at our St Joseph's community.

The school has a real buzz to it with a range of stimulating and engaging sessions. St Aldhelms were finding the seeds in the vegetables and learnt about where the vegetables come from.

Mrs S Woods

In Class Next Week

St Anthony

Writing: fairy tales
Maths: missing numbers
Re: creation

St Aldhelm

Writing a Victorian diary
Investigating Number facts to 20
Responding to questions about how Amos felt about what he was called to do.

St Lawrence

St Scholastica 98.7%

Please can you return any reading books that you have left over from before or during lockdown, by Monday 28th September. Many thanks

WALKING IN THE FOOTSTEPS OF JESUS, LOVING AND SERVING TOGETHER

Eco Day

Thursday 8th October

Come to school dressed as an endangered animal, animal T-shirt or animal print.

Your day will be filled with fun, environmentally friendly activities, in your classrooms.

Please bring £1 donation for the Chaplaincy Team's chosen charity, The Apostleship of the Sea.
Thank you

Request for Apples!

One of our governors has very kindly offered apples from his garden to the school for use in our kitchen—thank you so much!

Our school cook has said she would be grateful for any donations of apples, both cookers and eaters, so she can make the children some of her special delicious apple crumble. Please bring apples in bags to the main school gate. Thank you!

Have you registered your child for a flu vaccination yet? The school nursing team visit us on Wednesday 7th October. Time is running out to access the site and register your consent or not to give consent.

Your child is due to be in Reception to Year 6 from September 2020 and they are therefore eligible for a Free Nasal Childhood Flu Vaccination.

Flu vaccination is one of the most effective interventions we have to reduce pressure on the health and social care system which is going to be more important than ever this year. For this reason, it is essential we deliver the vaccine to as many children as possible to prevent the spread of infection to those most at risk in society.

In light of the above we are expecting demand to be high and therefore we urge you to follow the below link to consent to your child's vaccination now. Even if you do not want your child to receive this vaccination, please complete the consent form stating "no" consent. You will also find answers to your FAQ's on this link.

<https://schoolimms.virgincare.co.uk/flu/2020/wilts>

If you have any difficulties with completing the consent form please contact the Immunisation Team on our Single Point of Access (SPA).

Tel: 0300 247 0082 Email: vcl.immunisations@nhs.net

Covid 19 Information—*Important!*

It is vitally important that we continue with all the great work we have done since the start of term. **Please do not gather and talk at the gates at the start and end of the day. This is inline with Government Guidance.** We have worked so well to ensure that all our Class bubbles are free of infection. This is a good way to STOP the spread between families and bubbles.
