

	Phonics	Writing	Maths	Other
Monday	Use the activity booklet to encourage children to practice identifying phase 2 tricky words. The booklet contains a selection of activities such as drawing lines to match halves of Christmas crackers together, colouring baubles on a Christmas tree or matching labelled presents to Santa's sacks ready to go on	<p>Enjoy the story, A Christmas Collar</p> <p>On Christmas Eve, Mila and Lumi find something special sparkling in the snow. "Mila popped the collar around Lumi's neck to keep it safe until they could find the owner." But is there more to the Christmas collar than meets the eye? Will Lumi find the real owner on her magical Christmas adventure? Find out as you read A Christmas Collar story together.</p> <p>Use the story map to retell the main events of the story. This worksheet could be used as a starting point for the children to write their own stories.</p>	<p>Use the Christmas Maths Workbook for Year 1 or reception.</p> <p>It's filled with seasonal illustrations and themes to motivate children - from Snowman Subtraction to carrying out number bonds on Santa's tummy!</p> <p><u>Year 1 children will be able to practice:</u></p> <p>How to read and interpret mathematical statements involving addition.</p> <p>How to write mathematical statements using plus, minus and equals.</p> <p>Mixed number bonds to 10 and 20.</p>	<p>PE</p> <p>Use the home learning PE sheet with six Christmas-themed activity ideas for inspiration on how to keep your children active and develop their fundamental PE skills.</p>

<p style="text-align: center;">Tuesday</p>	<p>to the sleigh - all whilst practising reading and writing sight words.</p>	<p>Re-tell the story of A Christmas Collar using the stick puppets or make your own.</p> <p>Then use the setting description activity sheet to encourage children to use descriptive language to describe the beautiful wintry setting from the story.</p>	<p>Addition to 20 on a number line, pictures and reading equations.</p> <p>Subtraction, using a number line, pictures and reading equations.</p> <p><u>Reception children will be able to practice:</u></p> <p>A Christmas size matching activity; A roll and colour game; A Christmas cracker mixed number bonds game; A Christmas addition and subtraction puzzle, Cut-and-paste pattern activities; Cut-and-paste number tile tasks; Christmas bauble challenge questions; Missing number games; A Christmas block graph; A Reindeer dot-to-dot activity; A Christmas missing numbers game.</p>	<p>RE <i>(See the Wednesday Word in Dropbox)</i></p> <p>Read through the Wednesday Word. Advent is a time to slow down and try to remember the real reason for Christmas – giving thanks to God and Jesus. Ask your child what they think the word Advent means (important arrival) What do they know about the season and what do they enjoy most about it?</p> <p>Use the candle template to write an Advent prayer. Please send a photo of these to me, so we can use them in class.</p>
