Thursday 28th January 2021

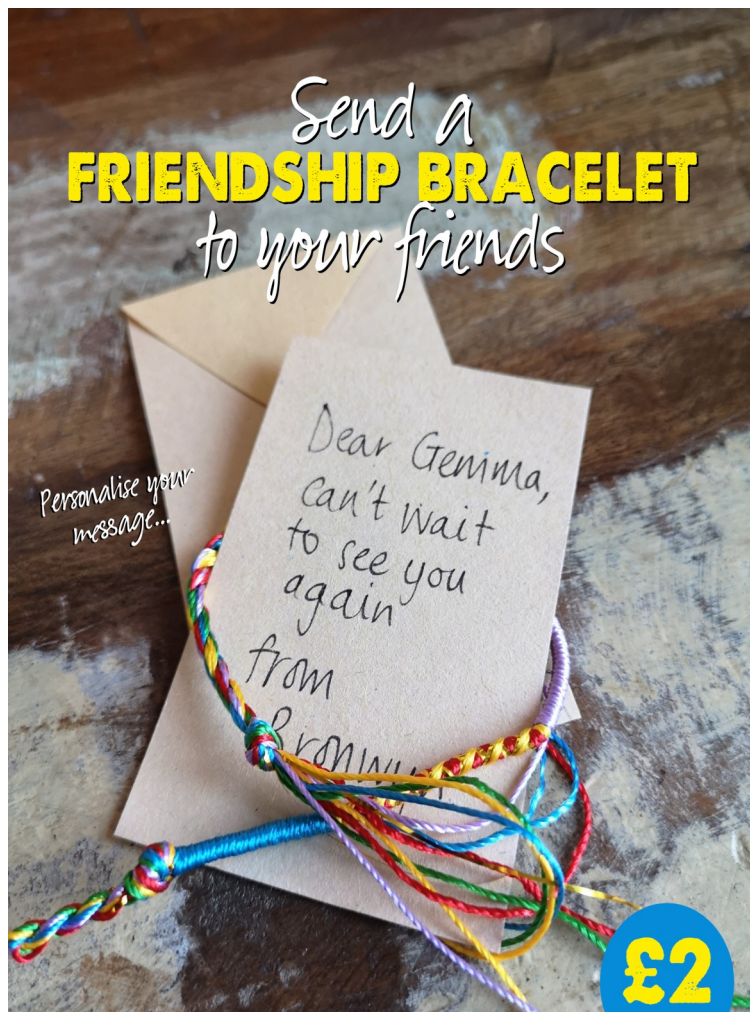

How lovely it was to see children and families enjoying the snow in the safety of their family bubbles over the weekend! It's at times like these that we take time to remember how beautiful our world is!

We are continually reviewing our Remote Learning provision and I am pleased to extend our offer with 1:1 and small group support sessions led by Mrs Lever. From Wednesday 3rd February, Mrs Lever will be available online from 11.30-12.30 each day (usually Tuesday-Friday). You can **pre-book** a 15 minute session for your child to go over any work that they may need help with. These sessions will be allocated on a first come, first served basis and will need to be booked directly with Mrs Lever. For more details please see the attached letter.

The level of engagement has been fantastic, thank you, parents and children for all your hard work. We absolutely understand it is not easy and we are all working through this pandemic together. Parents, please remember do what works for you and your family. Everyone's circumstances are different and we value and appreciate you all. Again many thanks for all your messages and words of encouragement, we would like to extend them back to all our wonderful families.
