Work through the Powerpoint, answering questions as you go. The main task is on the final slide (slide 8).

In class, we normally complete the vocabulary check (page 3) and the main task (page 8), with discussion on the other questions.

- Mild – Choose 3 words from the vocabulary check and use a dictionary to find out what they mean. Then answer the question on slide 8.
- Medium – Complete the quick start questions, choose 5 words from the vocabulary check (page 3) and use a dictionary to find out what they mean. Then answer the question on slide 8.
- Spicy – Attempt an answer for all slides, including 5 words from the vocabulary check (page 3).
