As we approach the period of Lent in our liturgical calendar we begin to think of 'giving up' something for Lent. However I like to think of Lent as what we can 'do' which has a long lasting impact, such as, supporting the local food bank, spending time with an elderly member of the family that may be feeling lonely, or anxious, safely in a support bubble. Whatever Lent means to you, may it be a time of hope and peace for you all.

Outside we have created a tree of 'Hope' outside the school and I would like the staff and children who took part in creating our amazing tree as part of the 'Hope, Springs Eternal' trail around Malmesbury. Do come along and see our display and read our messages of hope from the children when you are out on the daily walk.

Looking forward to half term break, it's time to switch off the laptop! May I wish you all a peaceful time with your family.

Thank you for your continued support, cooperation, patience and understanding. Stay safe, God Bless

"Remember that Lent and Ash Wednesday are not just about putting away the bad things. It is more about creating good things and helping the poor and the needy, being kind to people, and much more."
