Tuesday 27th April 2021

Welcome back to term 5!
It is lovely to see the children smiley and happy.....and the sun is shining!

Last Thursday was a fun packed day, where the children explored issues celebrating Earth day. The children learnt ways to help look after our planet, such as reducing the amount of plastic. Each class had lots of fun and created their own 'planet earth' on the playground. Here are some photo's to enjoy!

Important Reminder

We have a Staff Development day on Monday 24th May. Children will not be in school on this day.

This has been rescheduled from Tuesday 4th May—when children are now required to be in school as usual.

Message from Pope Francis:

'It is important to have friends we can trust. But it is essential to trust the Lord, who never lets us down.'

Please take a moment to follow the Wednesday Word link below...

Collection for Wednesday 19th May, so please continue to collect these items for us. Many thanks!

Your child is invited to enter the 'Malmesbury in Bloom - Children's Multi-media Art Competition 2021. Building on the great range of creative entries in last year's virtual competition, the art work for 2021 can be in any medium, including photography, or in a mixture of media, as long as the picture represents or depicts Malmesbury in bloom. It is an opportunity for children to create a picture and then see their work exhibited.

All entries need to be taken to the Malmesbury Tourist Information Centre at by 4pm on Friday 23rd July. This can be an actual A4 piece of art work or an A4 photograph of the art work.

We look forward to seeing some great art work!

Anxiety is a growing concern for many young people who are trying to make sense of the issues that affect their lives and over which they feel little control.

It is a real, personal, manageable and, possibly, positive emotional and physical aspect of their lives. It can be a challenge to manage your child's behaviour, which results from the anxiety.

Join us to identify and build coping skills, to recognise the positive aspects of anxiety and develop a few strategies to help all feel less anxious and frustrated.

***No childcare, no travelling and no parking problems,
just you, your cuppa and a friendly space.***

SCHOOL PRAYER LINK

The Clifton Diocese asks us please to
pray
this week for:

During this uncertain time prayer is more important than ever.

All of the schools of the Diocese need our prayers and so each week we shall pray for different, specific schools and all that work and learn in them. Please try to spend some time, each week, thinking and praying for the schools.

Holy Spirit, be with the children of these schools we pray for this week.

Bless them, their teachers and all who work at the school.

Give strength and grace to their growth, wisdom and understanding to their search for knowledge and strength to continue to learn despite the difficulties. Thank you, Lord for the gifts that they all bring to their community.

May everyone connected with the school remain safe and well.

Amen
