Nature life stages from birth to death

Computing - Online safety

To introduce email as a communication tool (using purple mash).
To understand how we talk to other when they are not in front of us.

To understand that information put online leaves a digital footprint

Science - Living things and their habitats

Characteristics of living things

Classifying things as being alive, dead and never been alive

Food chains

Identify organisms as producer, consumer and decomposer

Identify invertebrates in micro-habitats

Which animal families are invertebrates/ vertebrates?

What is the different between mammals and birds?

Complete a wildlife survey

Represent findings in a graph

English and Phonics

Phonics - Phase 5 and 6, split vowel digraphs

Grammar - recap of suffixes, tenses, sentence types

Fiction - 'The Song of the Sea' based on the film

Narrative

Labels, lists and captions

Tongue twisters

Alliteration

Features of non-fiction books

Beachcombers

Art, Design Technology and Music

Making a treasure book

3D model of a seahorse in clay

Design and create a home for a hermit crab

Beachcomber art from shells, pebbles and sand

Finger puppet seagull using felt

Painting horizons

Listening to music about the sea

Creating musical seascapes

Mixed media sea collage

P.E.

Run, Jump and Throw

Improve running and jumping movements over sustained periods.

Reflect on activities and make connections to health active lifestyles.

Jump for distance and height.

Gymnastics

Perform with control and consistency basic actions.

Create and perform a simple sequence.

Religious Education

Pentecost

Exploring Pentecost and what it means for Christians today

Sacraments

Understanding what a sacrament is

Exploring the Mass

The importance of the Eucharist

Geography and History

Identifying coastline's physical features using maps

Making 3D models of coastline features

Geographical vocabulary - beach, cliff, coast, shoreline, sea, ocean, dunes

Coastal erosion and how it changes the landscape
