## POLITE REMINDER IF YOUR CHILD HAS A SCHOOL LUNCH...

Please can school meals be ordered using your Parentpay account a full 7 days in advance. Please do not miss this deadline as this is how we determine meal levels and create registers.

Thank you.

**Wrap around provision for St Joseph's School children.** As you are aware K&S will end their service from the end of Term 6. They have served the community well for many years, dedicating their time and energy for our pupils as well as supporting other schools. We are sorry to see this end and wish Karen and Steve all the very best for their future.

We are proposing to continue a wrap around care facility for the children of St Joseph's and are researching and planning how this will work from 1st September and hope to share this with you soon. Rest assured we are working away behind the scenes to have this in place for September.

With regards to a summer holiday club, we are aware that current K&S staff are keen to run this provision, however we will need a little time to put this into place and hope to make an announcement early in Term 6 on any provision we are able to offer.

Thank you for your support and understanding during this period of transition.

## Year 4 and 5 Tennis Tournament.

A fantastic opportunity to play some competitive sport against other schools from our local cluster. We took 3 teams of 8 players to this event and it was lovely to see the children enjoying themselves in the sunshine.

All our teams performed magnificently and showed wonderful togetherness and team spirit, supporting each other whether winning or losing. Fantastic

sportsmanship was on show with plenty of congratulations all round.

It really was a lovely event and our teams did superbly, coming 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> respectively.

Well done to all who took part!
