Create a piece of art work in any media taking inspiration from something in our local area, this could simply be a drawing or painting of a local scene, or something inspired by the rich history of Malmesbury and the surrounding area, as long as you can provide some justification for your choice of inspiration that's fine, artworks will be judged on technical skill as well as creativity and source of inspiration.

There will be one winner from each class and an overall winner, all of whom will receive an art related prize! There may be additional winners if there's anything particularly special that might not receive recognition otherwise.
