

We are so  
pleased to  
see you all  
again!

# The St Joseph's Primary School

## Footsteps to make a better world.

Dear God,  
As we start a new  
year in school, open  
our minds and hearts  
to your message and  
help us to see the  
plans you have for us.  
Give us courage to  
accept new  
challenges to become  
the best people we  
can be.

Amen

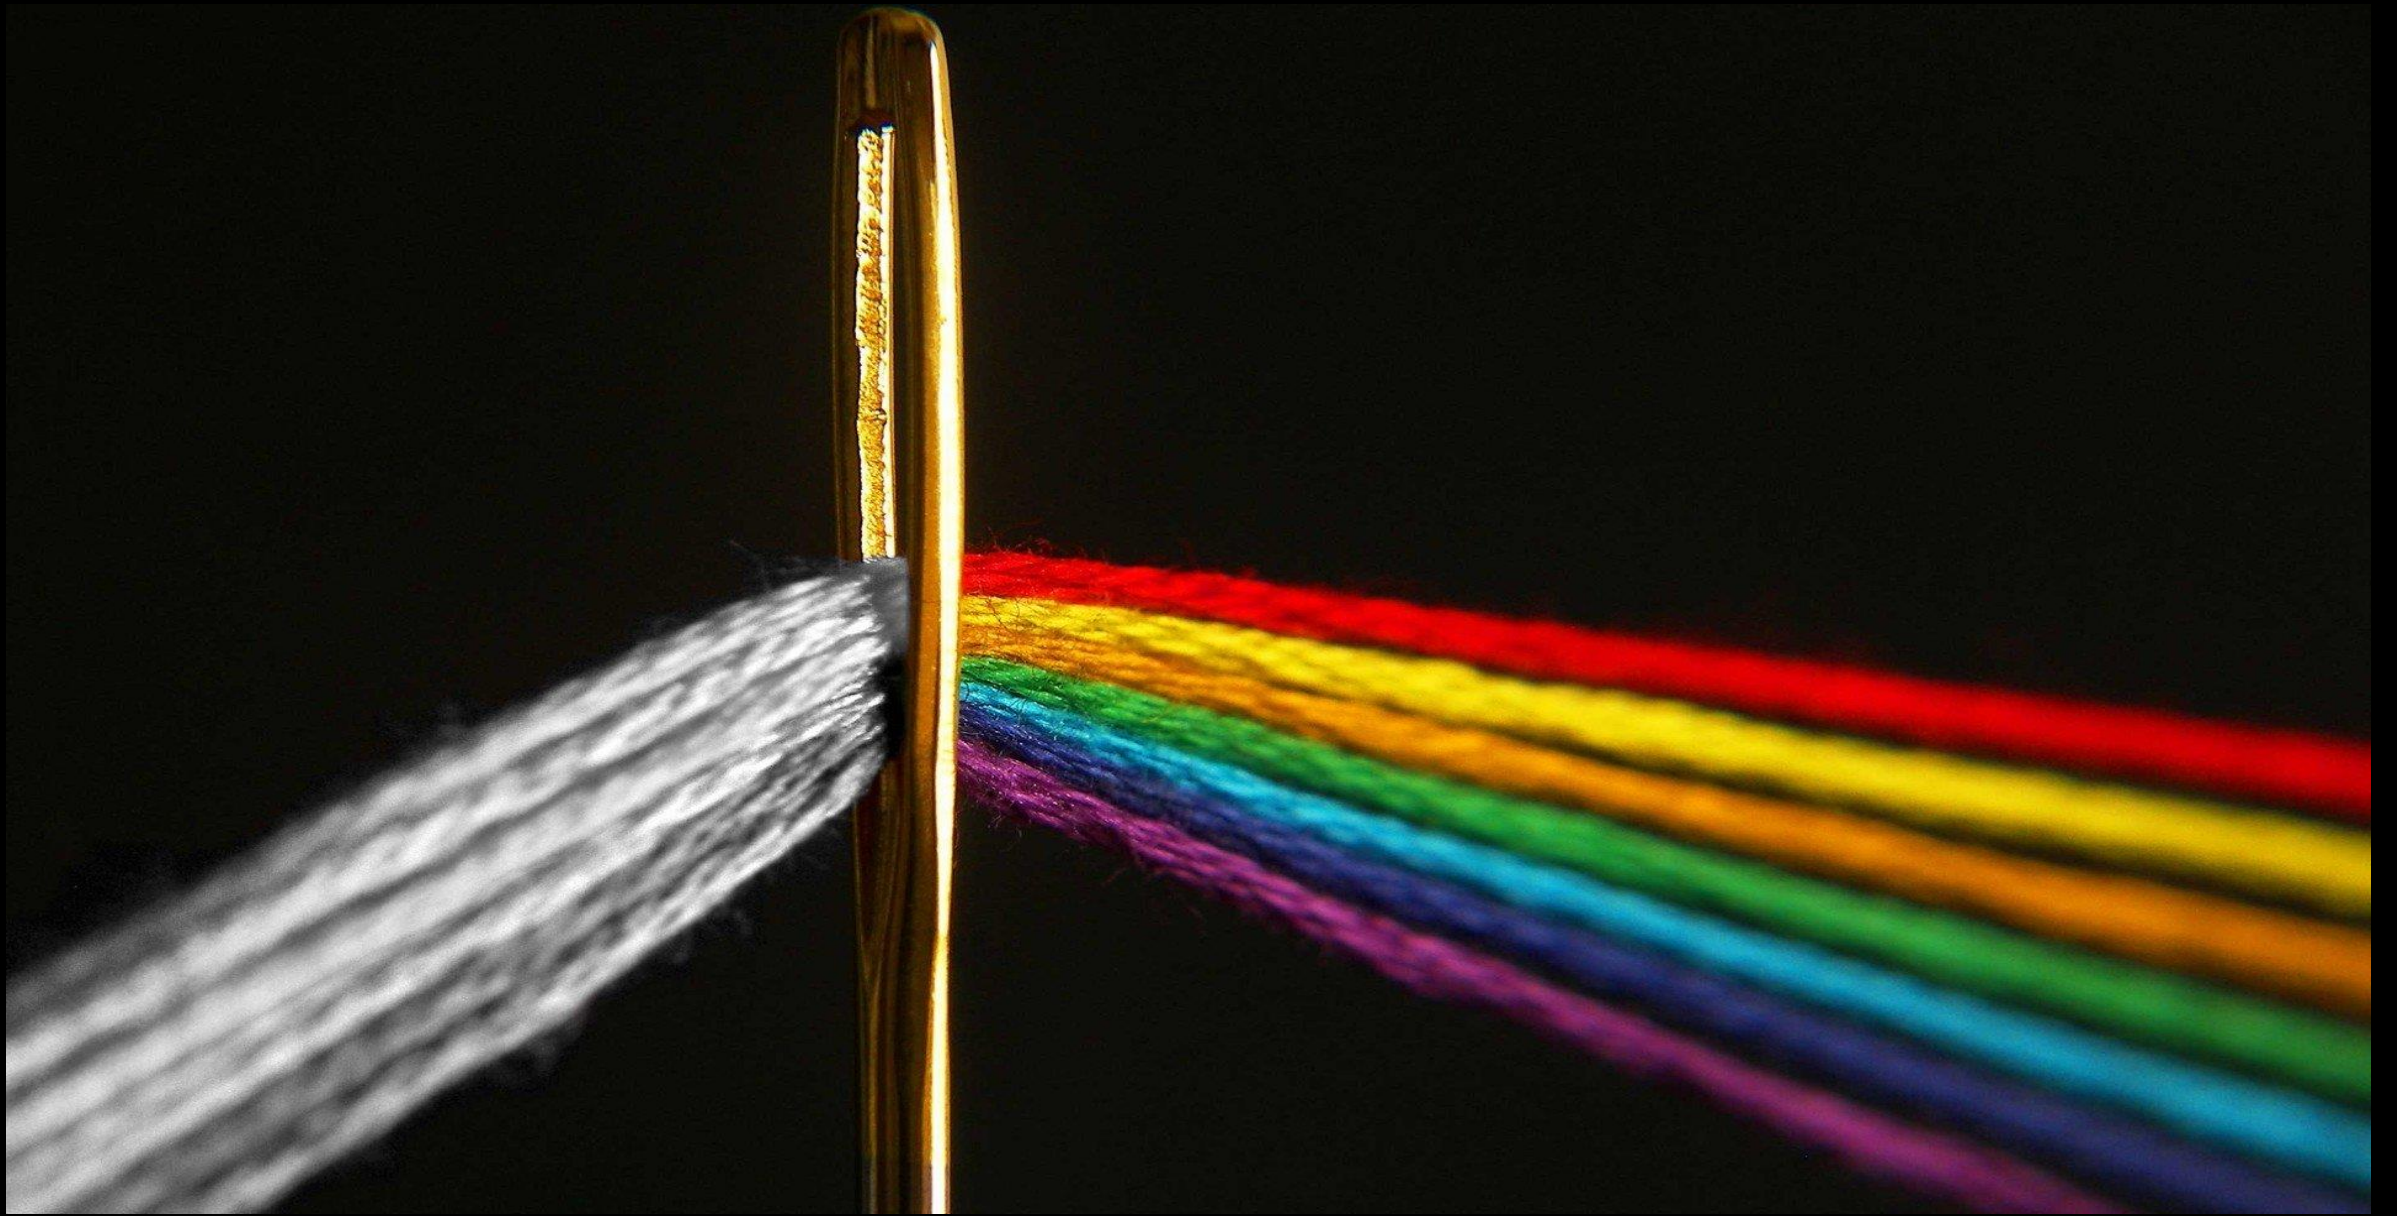

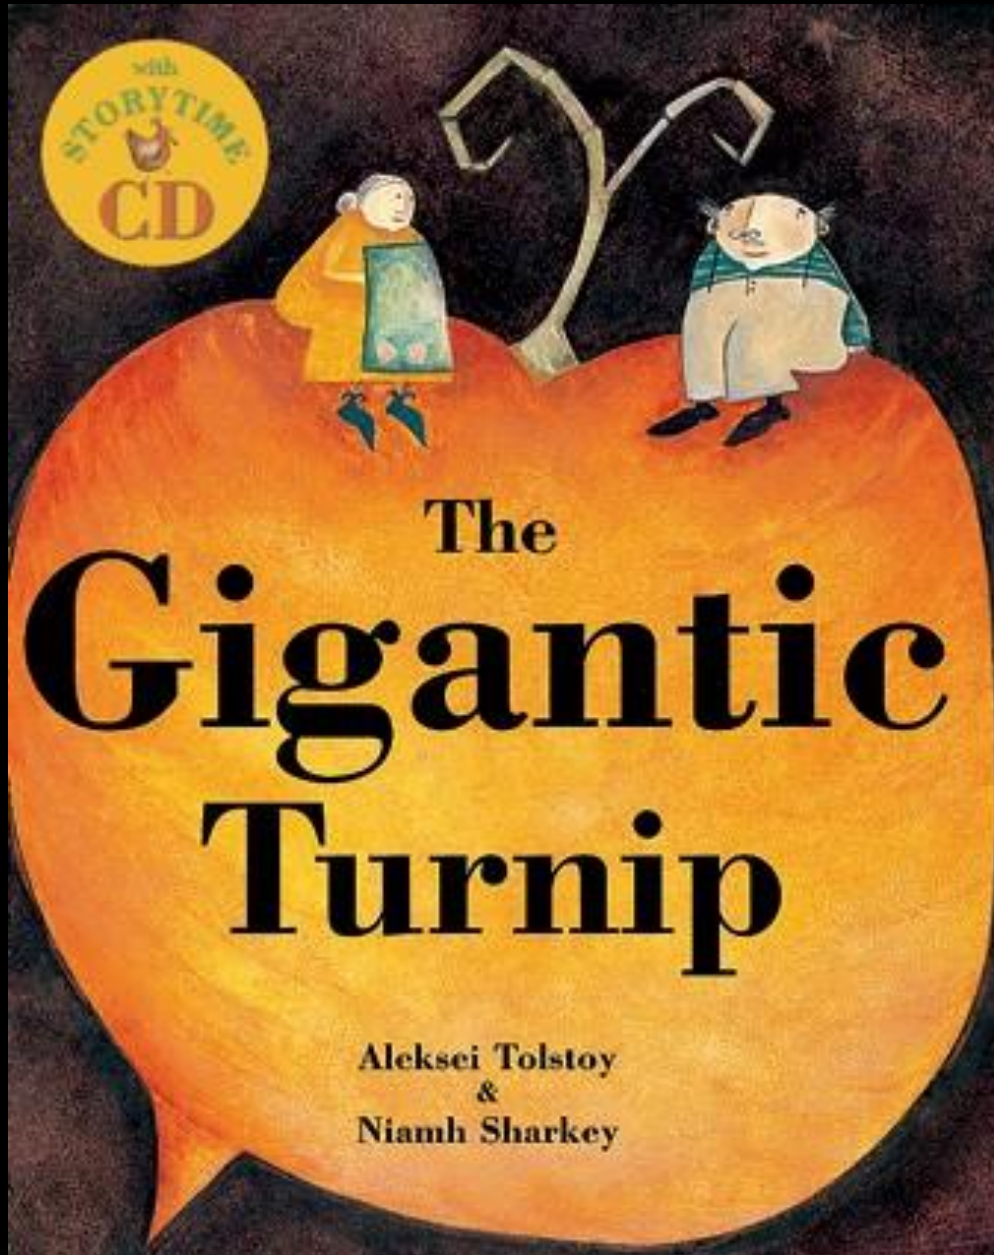

Paul said:  
“And now, my  
friends, good-bye!  
Do your very best;  
listen to my words;  
agree and work with  
one another; live in  
peace.  
And the God of love  
and peace will be with  
you.”

2 Corinthians 13: 11

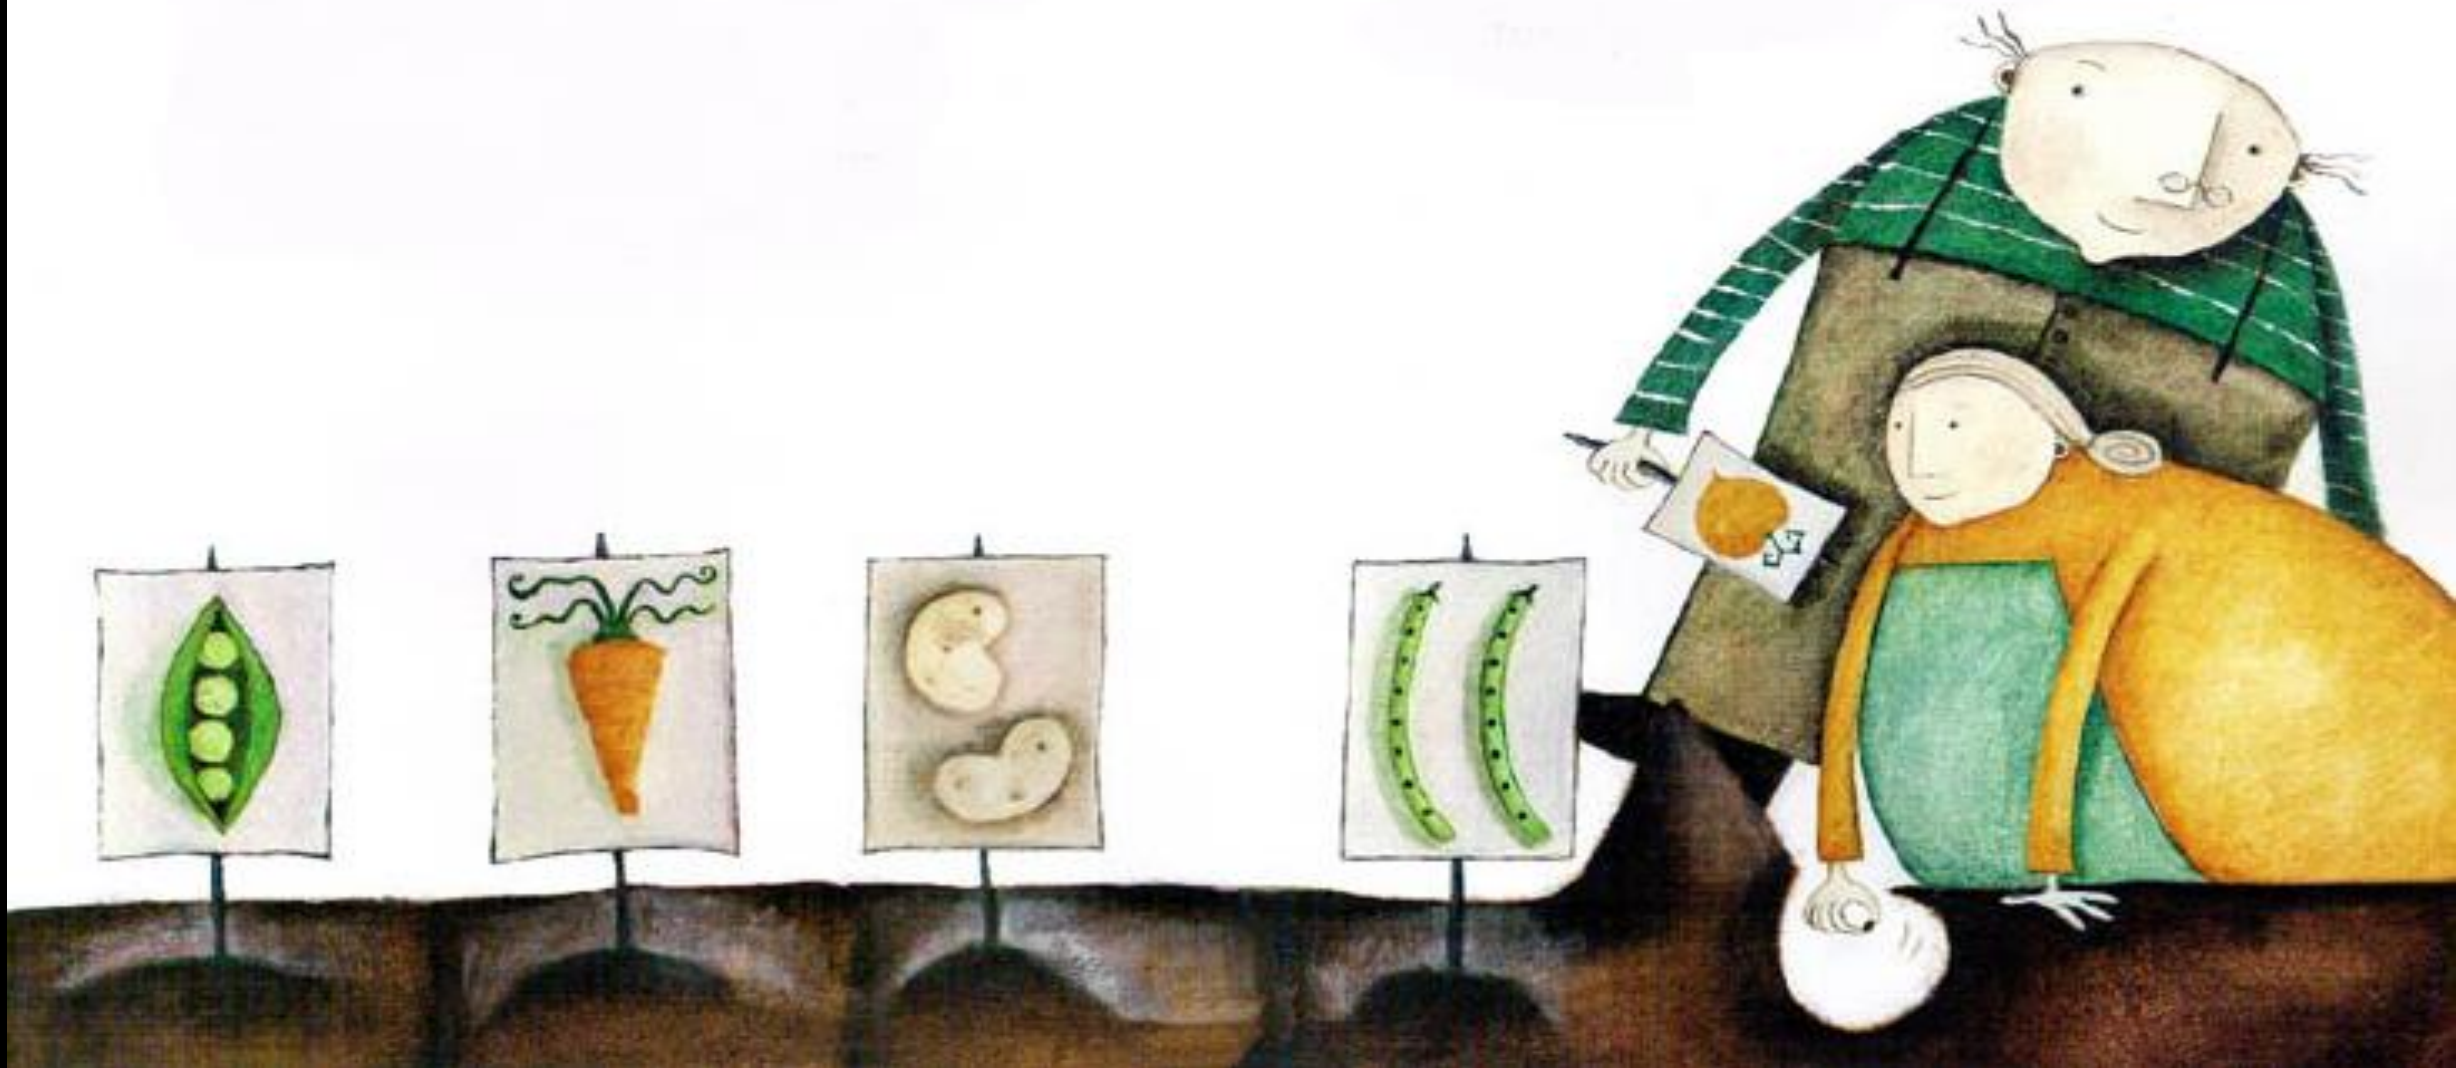

*A story about  
working  
together no  
matter who  
you are.*

two pot-bellied pigs

four speckled hens,

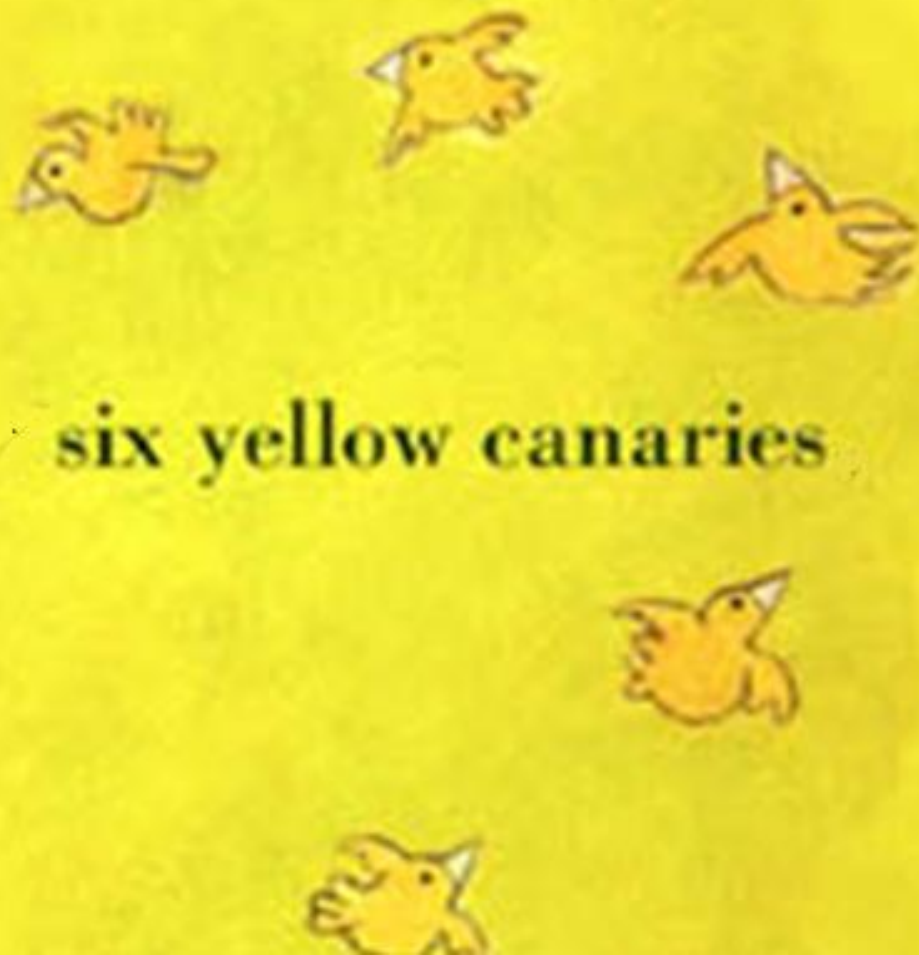

five white geese,

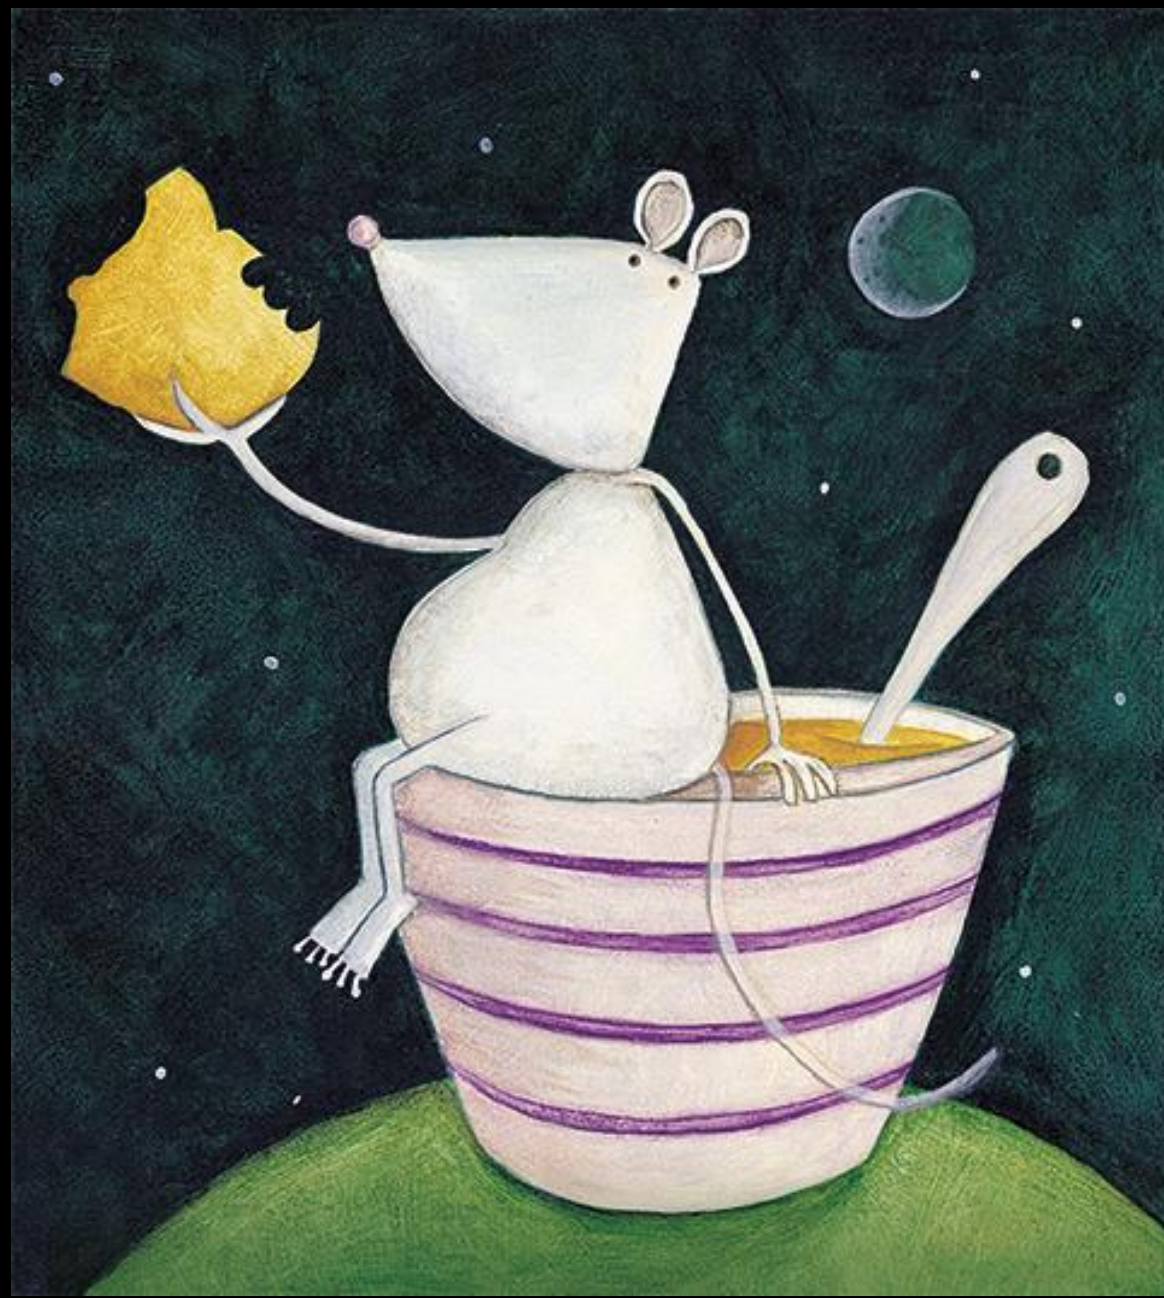

six yellow canaries

In the story, the  
farmer needed  
everyone to  
help him get  
the job done.

This is what our  
school is like.

We all need to work  
together to make  
our school, work and  
make it a better and  
safer place.

# Classes

Heavenly Father,  
Help us to accept the  
challenges of a new school year.  
Help us to see beyond any struggle we may  
face so that we grow as people and as a  
school. Help us to work with others to  
make our school a safe and happy place.

Amen
